Equity is the portion of your home that you own after subtracting any debt you still owe against it. You can use your equity to finance other needs, such as home improvements or education, or convert it to cash when you sell the home. You increase equity in two ways: by raising your home's value or lowering your mortgage debt.

How to Build Equity and Own More of Your Home

One reason for this consistency is a set of uniform building codes that apply across the country. Another reason is cost -- the techniques used to build homes produce reliable housing quickly at a low cost (relatively speaking).
