Reflective practice - Wikipedia

There are three types of a reflection paper, and depending on which one you end up with, the tone you write with can be slightly different. The first type is the educational reflective paper. Here your job is to write feedback about a book, movie, or seminar you attended—in a manner that teaches the reader about it.

How to Write a Reflection Paper: Guide with ... - EssayPro

A reflective essay should follow the classic essay format of introduction, body, and conclusion. Some other common formats include journaling or using a reflective model for only part of an essay or assignment. A journal is a collection of entries made on a regular basis (e.g. daily or weekly). For example, you might be asked to keep
