Early life and Hollywood career. A native of Mattoon, Illinois, John E. Moran first sang in a church choir. He was discovered by Mary Pickford who convinced his mother to take him to Hollywood for a screen test in 1935. Renamed Jackie Moran, he was subsequently cast in a number of substantial supporting roles.He became well-known with the 1938 release of David O. Selznick's production The ...

### Jackie Moran - Wikipedia

Dairy cows and chickens need a steady supply of calcium to produce milk and eggs. Farms that raise these animals often use animal feeds that have been supplemented with additional calcium. Powdered limestone and marble are used to produce these supplements because they are softer than the animal's teeth, soluble, and rich in calcium.

### Uses of Marble in Architecture, Sculpture, Design, and More

Come home to roost: return to cause trouble, in an analogy to chickens returning to their coop at the end of the day 12. Down-home: simple, as in something typical of traditional rural life 13-15. Drive/hammer/ram home: emphasize, often by repeating 16-17.
